Public Hearing on Intersection Improvements at 95th Street at Stony Island Avenue in Chicago

CHICAGO – The Illinois Department of Transportation (IDOT) will host a public hearing Oct. 21 to discuss the proposed intersection improvements at 95th Street (U.S. 12/20) and Stony Island Avenue in Chicago. The scope of work for this improvement consists of an intersection reconstruction and widening, bridge replacement, traffic signal modernization, drainage improvements and pedestrian and bicycle accommodations.

The public hearing will be in an open-house format, taking place at the following time and location:

**Oct. 21, 2015
4 - 7 p.m.
Olive-Harvey College
10001 S. Woodlawn Ave.
Chicago, Ill. 60628**

The purpose of this hearing is to present the project plans and to obtain public input.

Exhibits will be on display and an audio-visual presentation will be shown continuously during the meeting. Project team members will be present to discuss the plans and answer questions. A public forum will begin at 6 p.m., when the public will be invited to make a statement to a court reporter. Written comments will be accepted at the meeting, mailed afterward or submitted through the project website at www.95thStonyIsland.com. Comments received by Nov. 4 will become part of the official hearing record.

The meeting is accessible to individuals with disabilities. Anyone requiring special assistance can contact John Baldauf at (847) 705-4103. Persons planning to attend who will need of a sign language interpreter or similar accommodations can notify IDOT's TTY/TTD number at (800) 526-0844 or 711; TTY users who speak Spanish can call (800) 501-0864 or 711. For Telebraille, dial (877) 526-6670. All requests should be made at least five days prior to the meeting.
